

# Melody Fair

Emi Fujita

Who is the girl with the crying face  
looking at millions of signs?  
She knows that life is a running race,  
her face shouldn't show any lines.

Melody Fair, won't you comb your hair?  
You can be beautiful too.  
Melody Fair, remember you're only a woman.  
Melody Fair, remember you're only a girl.

Who is the girl at the window pane  
watching the rain falling down?  
Melody, life isn't like the rain,  
it's just like a merry-go-round.

Melody Fair, won't you comb your hair?  
You can be beautiful too.  
Melody Fair, remember you're only a woman.  
Melody Fair, remember you're only a girl.

Who is the girl with the crying face  
looking at millions of signs?  
She knows that life is a running race,  
her face shouldn't show any lines.

Melody Fair, won't you comb your hair?  
You can be beautiful too, too, too, too, too.  
Melody Fair, remember you're only a woman.  
Melody Fair, remember you're only a girl.
