

Love Slave

The-Dream

[intro]

Ooooohaaa ohaa

ohaaa ohaaa ohaaa ohaaa

Oohaaa

baby baby baby babyyy[verse 1]

come on in, close the door

give me, what i've bin waitin for

tell me, what to do

promise baby, i give it all to u

hold me tight, don't let me go

body is my winterwonderland, and im the snow

coming down, all u baby

i'm driving u, a million miles of crazy

[brige]

kiss all lonly night's goodbye

whatever is wrong, imma make it right

bin gone a wile, but i'm back ya baby

ain't nothing change[hook]

-i'm still u'r love slave

u still mine, n'all the other wimen, just got me by

-i'm still u'r love slave

u still my favorite, still my sweet laaady

-i'm still u'r love slave

if love is a crime, lock me up, till the end of time

-i'm still u'r love slave

so come to me, there's no place i'd rather be

[vamp]

then wit chu, oha oha oh,

wit chu, oha oha oh,

wit chu, oha oha oha,

wit chu, oha oha oha wooh[verse 2]

i heard about, the men u had

if he still there, tell him, daddy is back

cuz u are my, cried and joy

everything, that i adore

and i don't mean, to cuz no rive

between him and u, but we ain't thru

but u don't feel it, i walk away

u all up on me, just tell me to staaay

[brige]

kiss all lonely night's goodbye
whatever is wrong, imma make it right
bin gone a while, but i'm back ya baby
ain't nothing change
