

If I Shout

Jason Crabb

Verse 1: For anyone whose ever seen the mountain of their sins just disappear
For anyone whose ever felt the hand of heaven reach down through their fear and dry their tears
For any life once empty, that now finds itself alive and full of songs, victory's songs
Then you'll understand the reason for the way the saints of God may carry on Chorus: So if I shout know I'm
shouting from a heart that's been washed clean
If I run know I'm running from the past that's been redeemed
To the world it might look crazy, there's just no telling what you're going to do in that moment Jesus gets ahold
of you Verse 2: For anyone who knows the hope that keeps them moving on through troubled days
For anyone who knows they've got a future and a hope beyond the grave
Every life's a different story, how he led us out of darkness into light
There's no way to keep us silent, every breaths another chance to testify Chorus: So if I shout know I'm shouting
from a heart that's been washed clean
If I run know I'm running from the past that's been redeemed
To the world it might look crazy, there's just no telling what you're going to do in that moment Jesus gets ahold
of you Bridge: Carry on now my brothers Carry on now my sisters x4
Oh, if loves got ahold of you Chorus: Yeah, if I shout know I'm shouting from a heart that's been washed clean
If I run know I'm running from the past that's been redeemed
To the world it might look crazy, there's just no telling what you're going to do in that moment Jesus gets ahold
of you End: When he gets ahold of you
