

# Love Thornz

## Mister Monster

I Know a Girl as Tough as Me  
New Rocks Up to Her Knee  
She Keeps Her Cigarettes in Her Thigh-Highs  
When She Looks at Me With Those Kitten Eyes I Wanna Makeout With Her Down There  
I Want Nothing But Wet Hair  
Until That Morning Sun Burns my Eyes Love Thornz, Lemme be Your Drug  
Love Thornz, Rip Out My Heart  
Love Thornz, Lemme Be Your  
Frankenstein Valentine  
I Wanna Take You For a Drive at Midnight  
And Squeeze Your Loving Hips So Tight  
I Wanna Take You Up to Devils Tower  
And Up There I Will Devour  
Your Skin, Lips, Tongue, and Your Toes  
Slow Dancing In Headlights  
Listening to Oldies  
on the Radio... Love Thornz Will Make That French Kiss Hurt...  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
