DJ Faust

Ladies and gentlemen, gentlemen, gentlemen, gentlemen
You are now tuned into the very best
Yeah, you know what it is, the flyest in the game, daddy
Sho 'nuff, introducin', Grand Hustle, Young Dro
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
Wrist pinker than Miss Piggy the puppet, h*** love it
Kids love the ice, colors are Barney and Teletubbies
Chrome dubbies, diamonds in our charms are sour
Apple green, Jolly Ranch icon, paint the Tahoe
Snapple juice fruit, this what Drizzle used to
Know I burn calories, Caddy brown like booze do
I'm a lion, you moose food, tell you what I'm used to
Colorado cook a mountain of *** the truth, fool
Nothin' less than a deuce, fool, grind four ways
The back tires on the 5 turn 180 degrees, slide both ways
Show you how the mink on ***
Color orange'll drop a brown like a chico stick
You know I'm comin' back with 'Migo B***
TIP dropped the Maserati top, we doin' this for Rico ***
C4 *** my trunk sound like a thousand cherry bombs
*** and my s*** sound like a thousand Chevy trunks like bam
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
That Regal watermelon red, rims watermelon red
They think I think I'm all that, I got a watermelon head
Big bank roll, heavy as a watermelon, weigh it

Do it after I say it, know the game when I play it
Know I'm runnin' wit Fed when he hit a hundred thousand
Through wit the regular cars, now the Feds browsin'
Grown man housin', they landed on my island
I'ma continue firin', wipin' 'em out like Thailand
Chevy guts gator, I'ma paint the Regal violet
Laffy Taffy, Polo clothes, Fabo, them be whylin'
ATL stylin', I'm fresher than a motherf***
8's on the birdy but them 9's on my other truck
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
N*** tryna dressin' me but they just want my recipe
All these n*** bitin' while these *** have sex with me
Knew I was a extra G when I pulled up wit extra heat
Yeah, I got a Charger, what about the Aqua Lexus jeep?
The block life finessin' me, caressin' me and hexin' me
Big birds, got 'em on the street, call 'em Sesame
The D.A. is ejectin' me, lawyer make 'em let me free
Big feet, eight pants started back in '73
Thought we paid 10 for the block, we paid 73
Pittsburgh, Fletcher Street, them pigsters question me
Polo say they care for me in Polo clothes, Beverly
Checkin' me, know my Chevy blue just like a Pepsi be, Dro
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
Body full of Polo clothes, fresher than a *** now
A-1 status make my *** get at yo' *** now
Cartiers on, aww man, I'm the s*** now
Big bankroll, oh, they think I hit a lick now
