

Bag O' Miracles

Eagles of Death Metal

Song:

Oh yes I got me some trouble Lord because I changed one woman's name,
Oh yes I feel so sad and lonesome,
Words will dress me up all up in shame,
Just like the good Lord walk the wall so long ago on the sea of Galilee,
Suddenly a big ol' bag o' miracles come and lift that woman right off of me.

[Spoken] Amen

Song:

Oh yes I got me some trouble Lord because I changed one woman's name,
Oh yes I feel so sad and lonesome,
Words will dress me up all up in shame,
Just like the good Lord Jesus walk the wall so long ago on the sea of Galilee,
Suddenly a big ol' bag o' miracles come and lift that woman right off of me.

(clapping)

[Spoken] Amen...praise God!
