

Candle

Matisyahu

There is a candle in very soul
Some brightly burning
Some dark and cold
There is a spirit who brings a fire
Ignites of candle and make his home

So carry your candle, run to the darkness
Seek out hopeless, confused and torn
Hold out your candle for all to see it
Take your candle and go light world
Take your candle and go light world

Frustrated brother, see how he's tried to
Light his own candle some other way
See how your sister, she's been robbed and
Still hold a candle without a

So carry your candle, run to the darkness
Seek out the lonely, the tired and worn
Hold out your candle for all to see it
Take your candle and go light world
Take your candle and go light world

Cause we are family whose heart blazing
So let's rise our candle light up the shy
Praying to our father, in name of Jesus
Make us a beacon in darkest time

So carry your candle, run to the darkness
Seek out the helpless, deceived and poor
Hold out your candle for all to see it
Take your candle and go light world
Take your candle and go light world

So carry your candle, run to the darkness
Seek out the hopeless, confused and torn
Hold out your candle for all to see it
Take your candle and go light world
Take your candle and go light world
