

# You Can Get It All (feat. Johntá Austin)

## Bow Wow

Uh, uh, uh, got me like woo-hoo  
When I think about you  
That's the first thing that come to my mind  
I'm like woo-hoo baby, you can get it all  
You can get it all, you can get it Woo-hoo, when I think about you  
That's the first thing that come to my mind  
I'm like woo-hoo shawtie, you can get it all  
You can get it all I know you heard my reputation  
You don't think I would ever do right by you  
You think that if you and I was in a relationship  
I would never be true  
(Be true) You think that anything I say is straight gang  
And to me you're just another new name  
But what I'm tryna tell you for every man  
There's a woman that'll make him change And I believe you the one that'll make me  
But any time I try to show you you shake me  
I know I make it real hard for you to take me serious  
But baby girl I am  
(I am) And I ain't stoppin' right here, I'ma keep going  
And I'm gonna make sure everyday that you keep knowing  
Weather if I have to send you flowers  
Or talk to you on the cell phone for few hours  
I'm yellin' like Woo-hoo, when I think about you  
That the first thing that come to my mind  
I'm like woo-hoo baby, you can get it all  
You can get it all, you can get it Woo-hoo, when I think about you  
That's the first thing that come to my mind  
I'm like woo-hoo shawtie, you can get it all  
You can get it all (One, one, one, one)  
One minute you act like you like me  
And then the next you don't  
You still sending me crazy emails  
Like I know it's just sex you want I can't lie the sex is truly incredible  
And every part of your body's so edible  
I get tears from just thinking bout it  
But that ain't the reason why I'm stuck and can't let you go We got a serious, serious bond  
And when we kick it we have nothin' but fun  
I feel a whole lot of L O V E between you and me  
Even though we still young Just your company ain't gotta get none

Talk the same lingo, understand where I'm coming from  
And if anybody ask me a question about you  
I'ma tell 'em you the one, you got me likeWoo-hoo, when I think about you  
That's the first thing that come to my mind  
I'm like woo-hoo baby, you can get it all  
You can get it all, you can get itWoo-hoo, when I think about you  
That's the first thing that come to my mind  
I'm like woo-hoo shawtie, you can get it all  
You can get it all, you can get itAs long as you know that I can have any girl I want to  
Baby, that sexual and factual  
But still I choose you to be with me and we're gonna  
So you better not break it up, you got me likeWoo-hoo, when I think about you  
That the first thing that come to my mind  
I'm like woo-hoo baby, you can get it all  
You can get it all, you can get itWoo-hoo, when I think about you  
That's the first thing that come to my mind  
I'm like woo-hoo shawtie, you can get it all  
You can get it all, you can get it
