

# USA

## Dubioza kolektiv

I am from Bosnia,take me to America  
I really want to see Statue of Liberty  
I can no longer wait,take me to Unites States  
Take me to Golden Gate, I will assimilate

The grass is always greener in neighbourâ€™s court-yard  
I wish to leave this nightmare,go to a promised land  
Please, take me to your leader  
I want my green card  
I want to fly over like a rocket from the Balkans  
I want to start all over and turn a new page  
Forget this dreadful story,escape the stone age  
Iâ€™m waiting for a chance to get out of the cage  
I feel like a slave on a minimal wage

I am from Bosnia,take me to America  
I really want to see Statue of Liberty  
I can no longer wait,take me to Unites States  
Take me to Golden Gate, I will assimilate

One day when you reach the end  
One day you will understand  
One day back to roots my friend  
No place like a motherland

I hoped Iâ€™ll find what I need,Iâ€™ll be free like a bird  
Now weâ€™re pushed in a ghetto like the sheep in a herd  
All the promises I heard became empty words  
Completely disconnected from the rest of the world  
The grass is never greener in neighbourâ€™s court-yard  
I want to start all over return to no manâ€™s land  
Send greetings to your leader,donâ€™t want your green card  
I want to fly back like a rocket to the Balkans
