Deftones

You can't talk
I'm anxious
I'm off the walls
I'm right here just
Come outside
And see it
But pack your heart
You might need it
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
You're locked up
You exhaled
You did it before
And I seen it
Come outside
And breathe in
Relax your arms
And let me in
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
I know what to say
To take you
Higher, higher
No one else can
Take you higher
But I will try
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life

I'll try
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
For you
