## Deftones

You can't talk  
I'm anxious  
I'm off the walls  
I'm right here just  
    Come outside  
        And see it  
But pack your heart  
You might need it  
    I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life  
    I'll try for you  
You're locked up  
    You exhaled  
You did it before  
    And I seen it  
    Come outside  
    And breathe in  
Relax your arms  
    And let me in  
    I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life  
    I'll try for you  
I know what to say  
    To take you  
    Higher, higher  
    No one else can  
    Take you higher  
        But I will try  
        I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life

I'll try  
I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life  
I'll try for you  
For you
