

Starface (Album Version)

White Zombie

September in the rain
Her sweat come a frozen onto
My skin
Eliminate the outerspace and come and get I'm
Swing'n down it again
Synchronize me
Fall away
I
Believe that
I wicked on the way look alive now! Yeah! Stars explode my eyes
Well, "I been down a long time"
Days crawl away and die "forever is a long time!"
Remember howling "crazy" like at the moonlight
Superfly
A penetrating powerman "O baby" I'm painted In the sky
Iron fister
On the
Hour
Paralyzing demon
Flower
Yeah! Stars explode my eyes
"I
Been down a long time" Days crawl Away and die "Forever is a long
Time!" Surround the pain the love's
Insane
Got a pseudo-systematic
Gain Careening through the neon Side
A horizontal "mind collide"
Harum scarum holiday
Double
Deal'n on the ones who say
"collapse me with a powerblast" Ground to zero roll'n fast
Ride
The glide
Treasure slide
Got a
Wooden symbol soul inside
"Freeze"
The heart

A razor tear pack sheDoesn't care
If the pillow Jacob sky snatch the pad I
Don't deny
Been a long time
Been a long time
Step into
The wind a watch a red girl come alive She scream'n to
The world "I diggin' on the fact that you will notSurvive!" Radiate me
Walk away
You shook the devil's
Dig deep hand today
Yeah! Stars explode my eyes, Well,
"I been down a long time" Days crawl away and die,
"Forever is a long time!" A million miles an hourMillion miles an hour
A million miles an hour
Let's
Get inside!
