# Invisible

## Taylor Swift

She canÂ’t see the way your eyes light up when you smile
SheÂ’ll never notice how you stop and stare whenever she walks by
And you canÂ’t see me wantin you the way you want her
But you are everything to me

[Chorus:]
And I just wanna show you
She donÂ’t even know you
She's never gonna love you like I want to
You just see right through me but if you only knew me
We could be a beautiful miracle unbelievable instead of just invisible

ThereÂ’s a fire inside of you that canÂ’t help but shine through
SheÂ’s never gonna see the light
No matter what you do
And all I think about is how to make you think of me
And everything that we could be

[Chorus]

Like shadows in a faded light
Oh weÂ’re Invisible
I just wanna look in your eyes and make you realize

I just wanna show you she donÂ’t even know you
Baby let me love you let me want you
You just see right through me
But if you only knew me
We could be a beautiful miracle unbelievable instead of just invisible

She canÂ’t see the way your eyes light up when you smile
