

Invisible

Taylor Swift

She can't see the way your eyes light up when you smile
She'll never notice how you stop and stare whenever she walks by
And you can't see me wantin you the way you want her
But you are everything to me

[Chorus:]

And I just wanna show you
She don't even know you
She's never gonna love you like I want to
You just see right through me but if you only knew me
We could be a beautiful miracle unbelievable instead of just invisible

There's a fire inside of you that can't help but shine through
She's never gonna see the light
No matter what you do
And all I think about is how to make you think of me
And everything that we could be

[Chorus]

Like shadows in a faded light
Oh we're Invisible
I just wanna look in your eyes and make you realize

I just wanna show you she don't even know you
Baby let me love you let me want you
You just see right through me
But if you only knew me
We could be a beautiful miracle unbelievable instead of just invisible

She can't see the way your eyes light up when you smile
