Hold On To Love

Jon Anderson

There you have it
You see this love regretting
There's something wrong again
But you had it
In the palm of your handYour heart has started bleeding
You gotta get out
You're leaving
You're on your own foreverIt's not the space or time or whether
You can leave
You want, you can't have
You need, you can't touch
You plead, it's enough, enoughThere's something happening to ya
Love can see right through ya
In a world of make believe
Don't go throwing it all awayHold on to love
Hold on to love
Treat it as a good thing
Be always ready
With that electric feelingYou work so hard
To be in love with her
She tries so hard
You gotta let it goHold on, hold on
Hold on, hold onThe more and more yo uhear it
The more it seems to make sense
To hold love in the palm of your handBut you think that round the corner
They're queuing up to hold her
But that won't make a difference in the endThere's never space or time or whether
Yo you can leave
You want, you can't have
You need, you can't touch
You plead, it's enough, enoughThere's something happening to ya
Love can see right through ya
In a world of make believe
Don't go throwing it all away
Hold on to love
There's nothing more important
Treat it as a good thing
Be always ready
With that electric feelingYou work so hard

To be in love with her
She tries so hard
You gotta let it goHold on, hold on
Hold on, hold on
Hold on, hold onYou work so hard
To be in love with her
She tries so hard-a
