

# 'Til We Die (Bonus track )

## Slipknot

Our friends are all hurting from moments and regrets and charity laced with a lie  
Still we keep hoping, to fix all the defects and strengthen these seminal times  
We go on together for better or worse, our history is to real to hate  
Now and forever we stay until morning, and promise to fight for our fateTil we die  
Til we dieThe start of a journey is every bit worth it, I cant let you down anymore  
The sky is still clearing, we're never afraid and the consequences opens the door  
I never stopped trying, I never stopped feeling like family is much more than blood  
Don't go on without me, the piece that I represent compliments each and everyoneTil we die  
Til we dieWe wont be forgotten we'll never give in  
This war we've achieved has allowed us to winTil we die  
Til we dieMy last true confession will open your eyes  
I've never known trust like the night  
Let it be spoken, let it be screamed, they'll never ever take us aliveTil we die  
Til we dieWe wont be forgotten we'll never give in  
This war we've achieved has allowed us to winCarry on  
Carry on(We'll never be broken, we wont be denied)  
(Our war is the present we need to deny)  
(We'll never be broken, we wont be denied)  
(Our war is the present we need to deny)Til we die  
Til we dieWe wont be forgotten we'll never give in  
This war we've achieved has allowed us to winCarry on  
Carry onWe'll never be broken, we wont be denied, our war is the present we need to denyTil we die  
Til We dieWe wont be forgotten we'll never give in  
This war we've achieved has allowed us to winTil we die  
Til we dieWe'll never be broken, we wont be denied, our war is the present we need to deny
