

# Something to Think About

## Willie Nelson & Ray Price

You're wonderin' just what I'll do  
Now that it's over and done  
Well, that's something to think about  
And I've already begunI suppose that I'll find a way  
People usually do  
Well, it's something to think about  
I'll be lost without youOne thing I would have you do  
Please consider the dawn  
The dawn of your lonelier years  
When youth an' beauty are gone  
And when you can no longer have  
Any sweetheart that you choose  
Here's something to think about  
I'll still be thinking of youOne thing I would have you do  
Please consider the dawn  
The dawn of your lonelier years  
When youth an' beauty are gone  
And when you can no longer have  
Any sweetheart you choose  
Here's something to think about  
I'll still be thinkin' of you
