No Quarter

Page & Plant

Close the door put out the light
Why'know they won't be home tonight, ooh
The snow falls hard and don't you know?
The winds of Thor are blowing cold
They're wearing steel that's bright and true, ooh
They carry news that must get through
They choose the path where no one goesThey hold no quarter,
They hold no quarter, aaaahWalking side by side with death
The devil mocks their every step, ooh
The snow drives back the foot that's slow
The dogs of doom are howling more, oh
They carry news that must get through
To build a dream for me and you
They choose the path where no one goesThey hold no quarter
They ask no quarter
They hold no quarter
They ask no quarter
Aaah! The pain without quarter
Ooh, when I'm callin" callin" callin'
They need no quarter, aaaah
