

# Fixing A Broken Heart

Christian Bautista

There was nothing to say the day she left  
Just filled a suitcase full of regrets  
I hailed a taxi in the rain  
Looking for some place to ease the pain, ooh  
Then like an answered prayer  
I turned around and found you there[Chorus]  
You really know where to start  
Fixing a broken heart  
You really know what to do  
Your emotional tools can cure any fool  
Whose dreams have fallen apart  
Fixing a broken heart Now I don't understand what I'm going through  
There must be a plan that led me to you  
Because the hurt just disappears  
In every moment that you are near, yeah  
Just like an answered prayer  
You make the loneliness easy to bear[Repeat Chorus] Soon the rain will stop falling baby  
Let's forget the past  
Cause here we are at last[Repeat Chorus]
