

# Let's Get Lost

## Carly Rae Jepsen

I was never one to want to  
Put my trust in someone else completely  
And I was always one to want to  
Up and run when someone said they needed meBut you  
You could be the one  
You could be the oneBaby let's go get lost  
I like the way you're drivin' slow  
Keeping my fingers crossed  
That maybe you'll take the long way home  
Let's get lost  
I don't wanna let you go  
Keeping my fingers crossed  
That maybe you'll take the long way home, uh, uh, uh, uhBaby let's take the long way homeI was always shy  
and careful  
I was sure that you would never look at me  
Never wanted to discourage  
Everything your eyes encouraged silentlyBut you  
You could be the one  
You could be the oneOh baby let's go get lost  
I like the way you're drivin' slow  
Keeping my fingers crossed  
That maybe you'll take the long way home  
Let's get lost  
I don't wanna let you go  
Keeping my fingers crossed  
That maybe you'll take the long way home, uh, uh, uh, uhBaby let's take the long way home, uh, uh, uh, uh  
Baby let's take the long way homeLet's get lost (let's get lost)  
You wanna get lost? (you wanna get lost?)  
Let's get lost (let's get lost)  
I wanna get lostOh baby let's go get lost  
I like the way you're drivin' slow  
Keeping my fingers crossed  
That maybe you'll take the long way home  
Let's get lost  
I don't wanna let you go  
Keeping my fingers crossed  
That maybe you'll take the long way home, uh, uh, uh, uhBaby let's take the long way home, uh, uh, uh, uh  
Baby let's take the long way home
