It is true, he turned water to wine  
He alone rose Lazarus from dead  
One man has the government On His shoulder  
He's born of a virgin; He's the lion in the lamb...  
He is glory, power and fire  
The one who holds seven stars in His hands...  
He is glory, power and fire  
The one who holds seven stars in His hands  
Say yayi mani  
Oh... Abun da mutum be yi ba ya yi  
He is beautiful, so Amazing  
Tenderly He's just impossible...  
He's the God of all, God of creation  
I just can't deny, chine Allah na wa...  
He is glory, power and fire  
The one who holds seven stars in His hands...  
He is glory, power and fire  
The one who holds seven stars in His hands...  
Yayi mani o  
Oh... Abun da mutum be yi ba ya yi
