Soul Food

Martina Topley-Bird

I wanna tell you that I've come to feel
I wanna show you how our love is realLeave your jacket on the floor
I'm coming around for more
Leave your heat in the bed
I wanna be there by your headLong as you wanna stay, baby, baby
All you got to say
Nobody's coming around todayI'm gonna show you
Show you where the good times start, baby
I wanna show you
I wanna show you where the feeling sparksWell I'm gonna let you
Take all the time you need
'Cause when the soul starts fallin', baby
We got time to leaveWe get trigger happy
Got the feeling all day and night
We get everybody
To sing along little summer night, babyYou get everything I got
And I know you're feeling fine
The sweet, sweet feeling you give to me baby
I wanna have a good timeIn the morning
We're all singing
We're all free, yeahI'm gonna show you
(Show you)
Show you where the good times start, baby
I wanna show you
(Show you)
I wanna show you where the feeling sparksI'm gonna let you
(Let you)
Take all the time you need
'Cause when the soul starts fallin', baby
We got time to leave
(We got time to leave)Ever since I was young
I wanted, I wanted to know
Ever since you came along
Feeling so much strongerEvery way that you show
Feelings open to loveI'm gonna show you
(Show you)
Show you where the good times start, baby
I wanna show you
(Show you)

I wanna show you where the feeling sparksWell I'm gonna let you
(Let you)
Take all the time you need
Take all the time you need
Take all the time you need
Take all the time you need, all the time you need
(Take all the time you need)Take all the time you need
(Take all the time you need)
Take all the time you need
(Take all the time you need)
Take all the time you need
(Take all the time you need)Everyway and everyday
You come by and you save me
I want you near, I need you dear
