

Soul Food

Martina Topley-Bird

I wanna tell you that I've come to feel
I wanna show you how our love is real
Leave your jacket on the floor
I'm coming around for more
Leave your heat in the bed
I wanna be there by your head
Long as you wanna stay, baby, baby
All you got to say
Nobody's coming around today
I'm gonna show you
Show you where the good times start, baby
I wanna show you
I wanna show you where the feeling sparks
Well I'm gonna let you
Take all the time you need
'Cause when the soul starts fallin', baby
We got time to leave
We get trigger happy
Got the feeling all day and night
We get everybody
To sing along little summer night, baby
You get everything I got
And I know you're feeling fine
The sweet, sweet feeling you give to me baby
I wanna have a good time
In the morning
We're all singing
We're all free, yeah
I'm gonna show you
(Show you)
Show you where the good times start, baby
I wanna show you
(Show you)
I wanna show you where the feeling sparks
I'm gonna let you
(Let you)
Take all the time you need
'Cause when the soul starts fallin', baby
We got time to leave
(We got time to leave)
Ever since I was young
I wanted, I wanted to know
Ever since you came along
Feeling so much stronger
Every way that you show
Feelings open to love
I'm gonna show you
(Show you)
Show you where the good times start, baby
I wanna show you
(Show you)

I wanna show you where the feeling sparks Well I'm gonna let you

(Let you)

Take all the time you need

Take all the time you need

Take all the time you need

Take all the time you need, all the time you need

(Take all the time you need) Take all the time you need

(Take all the time you need)

Take all the time you need

(Take all the time you need)

Take all the time you need

(Take all the time you need) Every way and every day

You come by and you save me

I want you near, I need you dear
