Soul Food

Martina Topley-Bird

I wanna tell you that I've come to feel
I wanna show you how our love is realLeave your jacket on the floor
I'm coming around for more

Leave your heat in the bed

I wanna be there by your headLong as you wanna stay, baby, baby

All you got to say

Nobody's coming around todayI'm gonna show you

Show you where the good times start, baby

I wanna show you

I wanna show you where the feeling sparksWell I'm gonna let you

Take all the time you need

'Cause when the soul starts fallin', baby

We got time to leaveWe get trigger happy

Got the feeling all day and night

We get everybody

To sing along little summer night, babyYou get everything I got

And I know you're feeling fine

The sweet, sweet feeling you give to me baby

I wanna have a good timeIn the morning

We're all singing

We're all free, yeahI'm gonna show you

(Show you)

Show you where the good times start, baby

I wanna show you

(Show you)

I wanna show you where the feeling sparksI'm gonna let you

(Let you)

Take all the time you need

'Cause when the soul starts fallin', baby

We got time to leave

(We got time to leave) Ever since I was young

I wanted, I wanted to know

Ever since you came along

Feeling so much strongerEvery way that you show

Feelings open to loveI'm gonna show you

(Show you)

Show you where the good times start, baby

I wanna show you

(Show you)

I wanna show you where the feeling sparksWell I'm gonna let you (Let you)

Take all the time you need

Take all the time you need

Take all the time you need

Take all the time you need, all the time you need

(Take all the time you need) Take all the time you need

(Take all the time you need)

Take all the time you need

(Take all the time you need)

Take all the time you need

(Take all the time you need) Everyway and everyday

You come by and you save me

I want you near, I need you dear
