

Julia Michaels

I had a dream where we riding in a drop top down the block
 Taking our time doing whatever we want
 You put your hand on top of my hand And just like Grease, we were summer loving
 Had our first kiss and we hit the ground running, ah
 You put your hand on top of my hand No dark side for us
 No fight just because
 No silence that kills, ah
 No, no sleepless nights
 Oh, just you and I
 I love how that feels So can we stay in this dream like we are 17?
 Making love and getting high, you and me
 Where we never get angry or bitter or lonely
 Can we stay in this dream like we are 17?
 Where we keep goin' nonstop, down the block
 Sneaking our way into every single club
 And I didn't want to many I think
 And this thing we have, we
 Didn't know what was it
 We didn't know we could get messed up from it
 And all I really wanted was Ah-ha, babe
 No sleepless nights
 Oh, just you and I
 I miss how that feels So can we stay in this dream like we are 17?
 Making love and getting high, you and me
 Where we never get angry or bitter or lonely
 Can we stay in this dream like we are 17?
 Pin you down, kiss me now
 We can go in for another round
 Pin you down, come kiss me now
 Pin you down, kiss me now
 We can go in for another round
 Pin you down, come kiss me now I had a dream that we danced at a crosswalk, down the block
 Didn't even care that we made the traffic stop
 You put your hand on top of my hand So can we stay in this dream like we are 17?
 Making love and getting high, you and me (Can we, baby?)
 Where we never get angry or bitter or lonely
 Can we stay in this dream like we are 17? Pin you down, kiss me now
 We can go in for another round
 Pin you down, come kiss me now (Pin you down right now)

Pin you down, kiss me now
We can go in for another round
Pin you down, come kiss me now
