

Birds

Anouk

Isolated from the outside
Clouds have taken all the light
I have no control it seems my
Thoughts wander off Of the time when I tried to
Live life without you Birds falling down the rooftops
Out of the sky like raindrops
No air, no pride If being myself is what I do wrong
Then I would rather not be right
Hopes turn into fear and with my
One wing I cant fly With sunrise embrace my
Dreams tight and thats why Birds falling down the rooftops
Out of the sky like raindrops
No air, no pride
Birds To a place without fear, with no moonlight
All I need are trees and flowers and some sunlight
Where memories are being made and where the old one dies
Where love aint lies Birds falling down the rooftops
Out of the sky like raindrops Birds falling down the rooftops
Out of the sky like raindrops
No air, no pride
Thats why birds dont fly
