## **Birds**

## **Anouk**

Isolated from the outside Clouds have taken all the light I have no control it seems my Thoughts wander offOf the time when I tried to Live life without youBirds falling down the rooftops Out of the sky like raindrops No air, no prideIf being myself is what I do wrong Then I would rather not be right Hopes turn into fear and with my One wing I cant flyWith sunrise embrace my Dreams tight and thats whyBirds falling down the rooftops Out of the sky like raindrops No air, no pride BirdsTo a place without fear, with no moonlight All I need are trees and flowers and some sunlight Where memories are being made and where the old one dies Where love aint liesBirds falling down the rooftops Out of the sky like raindropsBirds falling down the rooftops Out of the sky like raindrops No air, no pride Thats why birds dont fly
