

Everywhere I Go

Katharine Mcphee

It's funny how you think you really know yourself
Like you would never lose yourself to someone else
And I was up to thinking
It was all about you and me, silly, silly me
I should have never listened to a word you said
But I was always giving in to promises
I never should have gone for
I should never long for you no matter how hard it gets
And I want this to be over, I so want this to be through
In the end somehow it always comes back to you
'Cause everywhere I go, no matter what I do boy
I just can't get you out of my head
So it annoys me, you wasn't man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didn't love me anymore
If you had only told me how you really felt
I could have put my feelings into someone else
But I was busy thinking
I was where I was supposed to be, silly, silly me
But there was something 'bout you I couldn't resist
Can't put my finger on it but whatever it is
I never should have stood for it
I know you're no good for me and that's the way it is
And I want it to be over, I so want it to be through
In the end somehow it always comes back to you
'Cause everywhere I go, no matter what I do boy
I just can't get you out of my head
So it annoys me, you wasn't man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didn't love me anymore
I tell myself, get over you, it's over right, right thing to do
And just when I thought I was done, you pull me in for another run
I can't take this I won't take this, I can't do this, I won't do it
Even if I know in the end somehow it always comes back to you
'Cause everywhere I go, no matter what I do boy
I just can't get you out of my head
So it annoys me, you wasn't man enough

To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didn't love me anymore
'Cause everywhere I go, no matter what I do boy
I just can't get you out of my head
So it annoys me, you wasn't man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
You knew that you didn't love me anymore
'Cause everywhere I go, no matter what I do boy
I just can't get you out of my head
So it annoys me, you wasn't man enough
To come and tell me that I was never the one
Like you said I was, you could have told someone
