Metal Mickey

Suede

Well, she's show showing it off then
The glitter in her lovely eyes
Show, show showing it off then
And all the people shake their money in timeShe sells hearts
She sells meat
Oh, dad, she's driving me mad
Come seeWe shake, shake, shake to the trumpet
And through the slippery city we ride
Skyline swine on the circuit
Where all the people shake their money in timeShe sells hearts
She sells meat
Oh, dad, she's driving me mad
Come seeShe sells hearts
She sells meat
Oh, dad, she's driving me mad
Come seeShe sells hearts
She sells meat
She sells hearts
She sells meatShe sells hearts
She sells meat
She sells hearts
She sells meatShe sells hearts
She sells meat
She sells hearts
She sells meat
