

No Words (feat. Leon Timbo)

Jason Nelson

There are times
Words failed to describe
The majesty of You
So insufficient to really speak of you Lord
But most of all
You are in awe of God
Is who you are
There are no letters
That fit together
To testify
None can describe your love
Your mercy, that's who you are
To tell of your goodness
And your sacrifice
No words that have been heard
So I'll just say
You are my God
So many thoughts fill up my heart
When I think of you
so inadequate
To really speak of you
Search for a way
For me to say just
Who you are
There are no letters
That fit together
To testify
None can describe your love
Your mercy, that's who you are
To tell of your goodness
And your sacrifice
No words that have been heard
So I'll just say
Oh, oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh
Oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh
(Repeat till end of song)
