

# Good Lovin' Ain't Easy to Come By

Marvin Gaye

Good lovin' ain't easy  
Good lovin' ain't easy  
Good lovin' ain't easy to come by Oh, darlin', not the kind you offer me  
It's just the love to be found  
'Cause we're workin' on a buildin' nobody can tear down  
Look what we've got, h-h-honey Good lovin' ain't easy  
Good lovin' ain't easy, darlin'  
Good lovin' ain't easy to come by, oh, no no I've tried the good life and I know  
It's a playground where no one cares  
Funny lands you'll find out that, don't compare  
To what we've got, h-h-honey It takes more than just a song and dance  
You've got to work and fight to give it a chance  
Oh, what if the rain comes down on us  
And there ain't no place to run We'll just cover ourselves with a blanket of love  
And wait till the mornin' comes  
Oh baby, let's do it today  
Inflection, give us protection Good lovin' ain't easy to come by  
Some think it's a plaything  
You can toss away when it's old But we know the value increases  
And it's worth more than gold  
That's what we've got, oh oh oh Good lovin' ain't easy to come by  
Oh, oh, it ain't easy  
Good lovin' ain't easy to come by  
Oh, oh, it ain't easy  
Good lovin' ain't easy to come by  
Oh, oh, it ain't easy
