

Revolution

Verona Grove

You say youâ€™re scared,
Youâ€™re scared of the fight.
Well I caught myself throwing Punches in my dreams last night.

You think itâ€™s okay,
to hide behind the stars,
run from moving cars,
But the ringing in my ears,
reminds me every night.

Chorus:
Tonight youâ€™re okay,
you wish everybodyâ€™d let you work all your pain away.
Screaming from the back of my head,
these dreams will never be dead.
Holding out for revolution.

You call it a dream, you call it a crush.
Youâ€™re screaming in vain, but it donâ€™t help much.
You blame it on the weather,
but you donâ€™t expect much of December.
You know youâ€™ve heard the same excuse before.
Weâ€™re not holding back anything now listen as we sing.

Chorus:

I'm right behind you, miles away 4x

Chorus: 2x

Holding out for revolution
