Kingdom's Coming

Bauhaus

Madness in the wind's got somethin' to say
It ripped you apart
It will always be that wayIt said kingdom's coming, causes chaos
Will cut to pieces
The film you saw todayIt's your big bad secret
Your crown of thorns
You walk for nothin', nothin' at all[Incomprehensible]
[Incomprehensible]
[Incomprehensible][Incomprehensible]
[Incomprehensible]
