

# Timebomb

## Chumbawamba

Stop now  
What's that sound  
Everybody looks  
What's going down I am a timebomb  
A ticking ticking ticking timebomb  
Unattended on the railway station  
In the litter at the dance hall  
Sitting pretty near the fast food counter  
In the backseat of a vauxhall I am a timebomb  
Stop now  
What's that sound  
Everybody looks  
What's going down Hear the ticking of your heartbeat beating  
Hear the breaking of their promises  
Hear the smashing of your expectations  
Hear the shattering of half-rhymes I am a timebomb  
Stop now  
What's that sound  
Everybody looks  
What's going down And all the timebombs  
They're all dancing to the same song  
In a world full of nones  
I am a someone Stop now  
What's that sound  
Everybody looks what's going down  
Stop now, what's that sound  
London bridge is going down
