# Life

## Karl Bartos

We've had a good time: easy living like on a summer day.
We got along fine, even though we haven't had a lot to say.
It's been alright, but, much to my regret,
I know that if i remain by your side, i might as well be dead.So glad we made it!
Time will never change it!
But, finally, i have to get on with my life.Life is a game that one plays according to the rules.
Forget my name: maybe it will help you? feeling cruel.
I have to move out. got to carry on.
Don't you know that only time will tell if i'm right or wrong?
So glad we made it!
Time will never change it!
But, finally, i have to get on with my life.I feel a rush in my blood while i listen to the sound of music.
Who you are and what you want to be, it doesn't matter much to me.
So glad we made it!
Time will never change it!
But, finally, i have to get on with my life.
Finally, i have to get on with my life.
Finally, i have to get on with my life.
Finally, i have to get on with my life.Finally, i have to get on with my life.
