With a Little Help from My Friends

Joe Anderson

What would you do
If I sang outta tune
Would you stand up
And walk out on meLend me your ears
And I'll sing you a song
And I'll try not to sing
Outta keyOh I get by with a little help from my friendsGets high with a little help
From his friendsOh I'm gonna try with a little help from my friendsWhat do I do when my love is away
Does it worry you to be aloneHow do I feel by the end of the day
Are you sad because your
On your ownI get by with a little help
From my friendsYeah, I get high with a little help from my friendsOh, I'm gonna try with a little help from my friendsDo you need anybody
I need somebody to love
Could it be anybody
I want somebody to loveWould you believe in a
Love at first sightYeah I'm certain that it happens
All the timeWhat do you see when you turn
Out the light, I can't tell ya
But I know it's mineOh, I get by with a little help
From my friendsMm, I get high with a little help from my friendsOh, I'm gonna try with a little help from my friendsDo you need anybody
I need someone to love
Could it be anybodyOhhhhHave a little help from my friends
Have a little help from my friends
Try a little help from my friends
Have a little help from my friendsI get by with a little help from my friends, with a little help
From my friends
