

# Girls Talk

Linda Ronstadt

There are some things you can't cover up with lipstick and powder  
Thought I heard you mention my name, can't you talk any louder?  
Don't come any closer, don't come any nearer  
My vision of you can't come any clearer  
Oh, I just wanna hear girls talk  
Got a loaded imagination being fired by girls' talk  
It's a more or less situation, inspired by girls' talk  
But I can't say the words you want to hear  
I suppose you're gonna have to play it by ear, right here and now  
Girls talk and they wanna know how girls talk  
And they say, it's not allowed, girls' talk  
If they say that it's so, don't they think that I know by now?  
That the word up on everyone's lipstick, that you're dedicated  
You may not be an old fashioned girl but you're gonna get dated  
Was it really murder, were you just pretending?  
Lately, I have heard, you are the living end

Girls talk and they wanna know how girls talk  
And they say, it's not allowed, girls' talk  
And they think, they know how girls talk  
If they say that it's so, don't they think that I know by now?  
But I can't say the words you want to hear  
I suppose you're gonna have to play it by ear, right here  
There are some things you can't cover up with lipstick and powder  
Thought I heard you mention my name, can't you talk any louder?  
Don't come any closer, don't come any nearer  
My vision of you can't come any clearer  
Girls talk and they think they know how girls talk  
And they say it's not allowed, girls' talk  
And they think they know how girls talk  
Girls talk, girls talk
