Boiler

Vicente Couleur

Not a boiler
that was hanginâ€™ by the streets
Do you care?

An expression
Of a shock or a surprise?
Everyday end

Illuminations are bringing me
a chancer coz sheâ€™s bricking it considered, ill considered

and I wonder
if you will bash on
I ponder if you will give it
Tonight..oh tonight

CHORUS: Iâ€™m loving you for loving me
As a friend foremost end
Iâ€™m calling you my majesty
would you Ohm, would you Ohm

Spotlights on answers
Donâ€™t look at those
Beautiful eyes

Fancy a flavor
if you will have something
for tonight for tonight

REPEAT CHORUS
