

# Stay (I miss you)

[Lisa Loeb](#)

You say  
I only hear what I want to  
And you say  
I talk so all the time, so And I thought what I felt was simple  
And I thought that I don't belong  
And now that I am leaving  
Now I know that I did something wrong  
'Cause I missed you  
Yeah I missed you And you say  
I only hear what I want to  
I don't listen hard  
I don't pay attention  
To the distance  
That you're running or to  
Anyone anywhere I don't understand if you really care  
I'm only hearing negative, no no no, bad So I, I turned the radio on,  
I turned the radio up  
And this woman was singing my song  
Lovers in love and the other's run away  
Lover is crying 'cause the other won't stay And some of us hover when we weep  
For the other who was dying  
Since the day they were born, well  
Well, this is not that  
I think that I'm throwing  
But I'm thrown And I thought I'd live forever  
But now I'm not so sure  
You try to tell me that I'm clever  
But that won't take me anyhow  
Or anywhere,  
With you And you said that I was naive  
And I thought that I was strong  
I thought, "hey, I can leave, I can leave"  
Oh but now I know that I was wrong  
'Cause I missed you  
Yeah, I missed you You said, "you caught me cause you want me  
And one day I'll let you go"  
You try to give away a keeper  
Or keep me 'cause you know you're just so  
Scared to lose And you say,

"Stay"  
You say  
I only hear what I want to
