

# Let Me BE

## U-N-I

You try to read me  
You try to figure out  
You try to breathe me  
But you can't blow me out  
You try to feel me  
But I'm so out of touch  
I won't be falling  
You won't have to pick me up  
Sorry if I sound confused  
I don't feel the way you do  
But I won't turn around  
But I won't turn around  
You think that I might back down  
But I won't  
Think that I might have doubts  
But I don't  
No insecurities, won't you just  
Let me, let me be?  
Think that you know me now  
But you don't  
Think that I, I can't stand on my own  
Ain't my philosophy  
(Aye)  
Won't you just  
Let me, let me be?  
Trust in my instincts  
Trust that I know what's right  
These are the reasons  
That keep you up at night  
(At night)  
Tell me go slow  
This is my flow  
'Cause you don't know  
Know what I know  
Let me tell you how it feels  
Baby it's time that  
You see me for real  
(Mmm)  
Sorry if I sound confused

(Mmm)

I don't feel the way you do  
But I won't turn around  
(Won't turn around)  
But I won't turn around  
Think that I might back down

But I won't  
Think that I might have doubts  
But I don't  
No insecurities, won't you just  
Let me, let me be?  
Think that you know me now  
But you don't  
Think that I, I can't stand on my own  
Ain't my philosophy  
Won't you just  
Let me, let me be?  
Trust that I know, this is my show  
Letting you know, gotta go the way I go  
Trust that I know, this is my show  
Letting you know, gotta go the way I go  
You think that I might back down  
But I won't  
Think that I might have doubts  
But I don't  
No insecurities, won't you just  
Let me, let me be?  
Think that  
You know me now, but you don't  
Think that I, I can't stand on my own  
Ain't my philosophy  
(It ain't my philosophy)  
Won't you just  
Let me, let me be?  
Think that I might back down  
But I won't  
Think that I might have doubts  
But I don't  
No insecurities  
(No insecurities)  
Won't you just  
Let me, let me be?  
Think that you want me now  
But you don't

Think that I, I can't stand on my own  
(Yea I can't stand on my own)  
Ain't my philosophy  
Won't you just  
Let me, let me be?
