Think

The Blues Brothers

You better think (think) think about what you're trying to do to me
Think (think, think), let your mind go, let yourself be free

Let's go back, let's go back, let's go way on back when
I didn't even know you, you couldn't too much more than ten
I ain't no psychiatrist, I ain't no doctor with degrees
It don't take too much high IQ's to see what you're doing to me

You better think (think) think about what you're trying to do to me
Yeah, think (think, think) let your mind go, let yourself be free

Oh freedom (freedom), freedom (freedom), freedom, yeah freedom
Freedom (freedom), freedom (freedom), freedom, ooh freedom

Think about it, think about it

There ain't nothing you could ask I could answer you but I won't (I won't)
I was gonna change, but I'm not, to keep doing things I don't

You better think (think) think about what you're trying to do to me
Yeah, think (think, think), let your mind go, let yourself be free

People walking around everyday, playing games taking score
Trying to make other people lose their minds, ah, be careful you don't lose yours

You better think (think) think about what you're trying to do to me
Yeah, think (think, think), let your mind go, let yourself be free

You need me (need me) and I need you (don't you know)
Without each other there ain't nothing people can do

Think about it baby
