It's Raining

Jennifer Warnes

Its raining so hard, looks like its gonna rain all night
This is the time, Id love to be holding you tight
But I guess Ill have to accept the fact that youre not here
I wish the night would hurry up and end, my dearIts raining so hard, its really coming down
Sitting by my window, watching the rain fall to the ground
This is the time, Id love to be holding you tight
But I guess Ill just go crazy tonightIts raining so hard, it brings back memories
Of the time when you were here with me
Counting every drop, about to blow my top
I wish the rain would hurry up and stopIve got the blues so bad, I can hardly catch my breath
The harder it rains, the worse, the worse it gets
This is the time, Id love to be holding you tight
But I guess Ill just go crazy tonight, I guess Ill just go crazy tonight
