## Gossip

Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh You think you are invincible  
When in fact you're powerless  
You're missing the principle  
You'll fear the loneliness Oh, oh, oh, oh, oh It's just like time has stopped  
It's always someone's fault  
Turn back the hands of the clock  
I'll turn into a pillar of salt A tragedy brings misery  
Misery loves company  
Company is misleading  
I've made it this far without you  
Without you, without you Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh So quick to seal our fate  
Give it a second chance  
We'll hurry up and wait  
Victims of circumstance A tragedy brings misery  
Misery loves company  
Company is misleading  
I've made it this far without you  
Without you My heart may never beat again, baby  
Or have you got the best of me?  
My heart may never beat again, baby  
Or have you got the best of me? My heart may never beat again, baby  
Or have you got the best of me?  
My heart may never beat again, baby  
Or have you got the best of me? Baby, baby Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh You think you are invincible  
You're missing the principle  
You think you are invincible  
You're missing the principle A tragedy brings misery  
Misery loves company  
Company is misleading  
I've made it this far without you  
Without you, without you I've made it this far without you
