Coloring Outside the Lines

MisterWives

Tangled in one bunk because we can't sleep
If I don't feel your arms wrapped around me
Been to every rest stop in the country
Without you oh this dream would feel so emptyTurn to you after we play the first song
To ask you if I fucked it up and sang wrong
There across your face the biggest smile
That makes me feel invincible just like a child
Say, what we wanna
Do, make it all come
True, because nothing is impossible with youSay, what we wanna
Do, make it all come
True, because nothing is impossible with you
Open my eyes
To see you and I
Can't believe this is life
We're coloring outside the lines
Open my eyes
Saturated sunrise
Doesn't seem as bright
When we're coloring outside the lines
Coloring, coloring, coloring
They say time slips away when you're having fun
That's why you said let's change our life to a dull one
Don't wanna blink one day and this will all be over
If only time could stop so we'd never grow olderYet in the same breath I look forward to the day
When our skin has aged I'll love you just the same
Our canvas will have endless hues and shades
Because of all the vivid colors that we made
Say, what we wanna
Do, make it all come
True, because nothing is impossible with youSay, what we wanna
Do, make it all come
True, because nothing is impossible with you
Open my eyes
To see you and I
Can't believe this is life
We're coloring outside the lines
Open my eyes
Saturated sunrise

Doesn't seem as bright
When we're coloring outside the lines
Coloring, coloring, coloring
No matter the day
No matter the night
Our love will keep burnin'
Keep burning brightNo matter the low
No matter the high
My darling our love will
Will never run dry...
Open my eyes
To see you and I
Can't believe this is life
We're coloring outside the linesOpen my eyes
Saturate a sunrise
Doesn't seem as bright
When we're coloring outside the lines
Coloring, coloring, coloringWe're coloring outside the lines
