Canvas

Imogen Heap

Slow hard, dog, wait, down love, black canvas
Revolve within, you understand
Fragile earth where cracks in the temperature
Keep it cool to give, you understand

Keep it cool to give, you understandSlow hard, dog, wait, down love, black canvas

Revolve within, you understand

Fragile earth where cracks in the temperature

Keep it cool to give, you understand'Cause I just can't find the strength

To pull you up and keep you taut

No I just can't find the strength

To hold you up and keep you tautHijacked, lost track, light fades another day left

Long shadows lure you in

The more you look the less you see

So close your eyes and start to breathe

Oh, you said yourself this wasn't easy

Oh, you said yourself this wasn't easyOh, I just can't find the strength

To pull you up and keep you taut

No, I just can't find the strength

To hold you up and keep you taut'Cause I just can't find the strength
Oh, to keep you taut
