

# The One

Nadia Ali

So I find a reason to shave my legs each single morning  
So I count on someone on Friday nights to take me dancing again  
To church on Sundays  
To plant more trees and someday think of kids  
Or maybe just to save a little money  
You're the one I need  
The way back home is always long  
But if you're close to me I'm holding on  
You're the one I need  
My real life has just begun  
'Cause there's nothing like your smile made of sun  
In the world full of strangers  
You're the one I know  
So I learned to cook and finally lose my kitchen phobia  
And so I got the arms to cuddle in when there's a ghost or a news  
That brings insomnia  
To buy more thongs, to write more happy songs  
It always takes a little help from someone  
You're the one I need  
The way back home is always long  
But if you're close to me I'm holding on  
You're the one I need  
My real life has just begun  
'Cause there's nothing like your smile made of sun  
You're the one I need  
The way back home is always long  
But if you're close to me I'm holding on  
You're the one I need  
My real life has just begun  
'Cause there's nothing like your smile made of sun  
(You're the one I need)  
(You're the one I need)  
You're my real life has just begun  
(You're the one I need)  
(You're the one I need)  
Nothing like your smile made of sun  
Nothing like your love  
Nothing like your love  
Nothing like your love
