

The One

Nadia Ali

So I find a reason to shave my legs each single morning
So I count on someone on Friday nights to take me dancing again
 To church on Sundays
 To plant more trees and someday think of kids
 Or maybe just to save a little money
 You're the one I need
 The way back home is always long
 But if you're close to me I'm holding on
 You're the one I need
 My real life has just begun
'Cause there's nothing like your smile made of sun
 In the world full of strangers
 You're the one I know
So I learned to cook and finally lose my kitchen phobia
And so I got the arms to cuddle in when there's a ghost or a news
 That brings insomnia
 To buy more thongs, to write more happy songs
 It always takes a little help from someone
 You're the one I need
 The way back home is always long
 But if you're close to me I'm holding on
 You're the one I need
 My real life has just begun
'Cause there's nothing like your smile made of sun
 You're the one I need
 The way back home is always long
 But if you're close to me I'm holding on
 You're the one I need
 My real life has just begun
'Cause there's nothing like your smile made of sun
 (You're the one I need)
 (You're the one I need)
 You're my real life has just begun
 (You're the one I need)
 (You're the one I need)
 Nothing like your smile made of sun
 Nothing like your love
 Nothing like your love
 Nothing like your love
