

# Ave Maria (Schubert) [feat. George Stoll]

[Mario Lanza](#)

A ave Maria  
A ave Maria  
Oo oo oo oo  
Were taking over the station  
Survivors of a different kind  
Messages of old dimensions say that were wise  
A ave Maria  
A ave Maria  
Oo oo oo oo  
Sensations are out on parade now  
Thoughts have ended up left behind  
Going round in circles fighting hidden desires  
A ave Maria  
A ave Maria  
The signals are there to read  
It's never that hard to see  
Stop wasting your time you will find  
Natures not always kind  
A ave Maria  
A ave Maria  
A ave Maria  
A ave Maria  
A ave Maria  
A ave Maria
