

# Thorn Tree in the Garden

## Derek and the Dominos

There's a thorn tree in the garden  
If you know just what I mean  
And I hate to hurt your feelings  
But it's not the way it seems, 'cause I miss her  
She's the only girl I've cared for  
The only one I've known  
And no one ever shared more love  
Than we've known and I miss her  
But it all seems so strange to see  
That she'd ever turn her back on me  
And leave without a last goodbye  
And if she winds up walking the streets  
Loving every other man she meets  
Who'll be the one to answer why?  
Lord, I hope it's not me, oh it's not me  
And if I never see her face again  
I never hold her hand  
And if she's in somebody's arms  
I know I'll understand but I'll miss that girl  
Lord I still miss that girl  
Maybe someday soon, somewhere
