

# Regular on My Mind

## Jim Ed Brown

She's fast on my money slow to call me honey but she's regular on my mind  
She's fast on the phone mighty slow when we're alone but she's regular on my mind  
I hear she's been around all over this town  
Spends the good deal of time just to puttin' me down  
She's fast on my money slow to call me honey but she's regular on my mind  
She's heavy on the drinking awful light of thinking but she's regular on my mind  
She's heavy on the showing awful light on going but she's regular on my mind  
You know she's been seen round the strange machine  
She's a fast movin' mama she's a lowdown mean  
Heavy on the drinking awful light of thinking but she's regular on my mind  
[ guitar ]  
She's smooth on the clinch awful rough on the pinch but she's regular on my mind  
She's high when she kisses awful low when she misses but she's regular on my mind  
She's been seen on the sly with every available guy  
Don't take much analizing to figure out why  
She's tall in the light she awful short at night but she's regular on my mind
